

BODEGA Y VIÑEDOS

Cinco Sentidos

MENDOZA ARGENTINA

FAMILY RED BLEND

Maluco

Our grandparents were Portuguese immigrants who arrived to these lands with the dream of working the vineyards of the new wine country.

Their four grandchildren decided to pay homage to their ancestors' hard work by making a unique wine. This is a blend from four different varietals, aged in four different barrels. It is a special wine, a "CRAZY" wine... "MALUCO" in Portuguese.
